"Begun as an illustrated catalog of the exhibition Photography, 1839–1937 ... organized for the Museum of Modern Art in 1937. In 1938 the text and illustrations were reprinted, with minor revisions, as Photography: a short critical history. The present text ... based on this earlier research, has been entirely rewritten and a new selection of illustrations has been made."

Norton, John, 1606–1663.
Three choice and profitable sermons upon severall texts of scripture ... By John Norton. The first of them being the last sermon which he preached at the Court of Election at Boston. The second was the last which he preached on the Lords-day. The third was the last which he preached on his weekly-lecture-day. Cambridge, Printed by S. G. and M. J. for H. Usher of Boston, 1664.
88, 12 p. 19 cm.
This work is followed by a letter prepared by Norton and signed by over forty ministers of Massachusetts Colony. It has continuous signatures but separate paging and special t. p.: A copy of the letter returned by the ministers of New-England to Mr. John Dury about his pacification. Faithfully translated out of the original manuscript written in Latine by the reverend author of the three former sermons. With some considerations premised about that subject, necessary for these times. By a lover of truth and peace. ‚Cambridge, 1664.
